

DANCE THERAPY COLLECTIONS 3

New publication of the Dance-Movement Therapy Association of Australia

This collection of articles by keynote speakers, Australian and overseas practitioners, developed out of presentations at the third Australian Dance Movement Therapy conference, 'Weaving The Threads', held in Melbourne in 2007. The volume includes 22 articles from Australian and international dance movement therapists and colleagues on a wide range of topics, from dance therapy's origins and directions, research and evaluation in dance movement therapy to therapeutic applications and skill development for therapists.
